

SAUCRAMENTO REPORT

Unruh 'Ombudsman' Bill Linked to Great Society

By CHARLES E. CHAPEL
 Assemblyman, 46th District
 About 1:30 a.m. on the morning of Wednesday, June 9, 1968, fifty-five members of the Assembly, voted for a bill by the Honorable Jesse M. Unruh, Speaker of the Assembly, creating the office of OMBUDSMAN.
 The individual who finally becomes the Ombudsman will administer a special budget in the amount of two hundred sixty-five thousand dollars (\$265,000.00), for the expenses of his office, including his own salary, the salary of his staff, traveling expenses, and other costs incident to the office of Ombudsman.
 FIFTY-FOUR votes were required to send this outstanding piece of legislation to our State Senate. Our Speaker, Mr. Unruh was not present but his spokesman,

Assemblyman William A. Shoemaker, of Santa Barbara County, described the bill as a "tremendous step forward in state government."
 I was one of those who regarded the bill as just another great leap forward into the New Society. I was not the only one who lacked enthusiasm for this reverse-economy measure. There were twenty members who are recorded as voting NO on this unpalatable nonsense.
 You can obtain two free copies of A.B. 2956, by Jesse M. Unruh and others, by sending an addressed, stamped envelope to the Legislative Bill Room, Room 215, State Capitol, Sacramento 14, California, accompanied by a request worded thus: "Please send me two free copies of Assembly Bill No. 2956, by Unruh and others, which is the Ombudsman Bill. A

stamped envelope addressed to me is enclosed."
 Be sure to write quickly for this collector's item. The supply is limited. If you want more than two free copies, ask the Legislative Bill Room for the cost of the quantity you desire. You may want to send copies to your friends and relatives who are interested in better government.
 Please do not write to me for a copy because I am a Republican and am not responsible for the New Society or the great leap forward.
 At the time that Mr. Unruh introduced his Ombudsman Bill he explained that the Ombudsman will be a State Official with the power to investigate complaints made by persons who believed they had failed to get satisfaction from a state government agency, or a state employee.

Mr. Unruh did not say so but it is quite probable that the Ombudsman also will be glad to receive complaints against any Republicans or Independent, Thinking Democrats who do not march in lock-step with the Great New Society and its great leap forward into governmental efficiency and economy. This is something worth thinking about.
 It may make the Spanish Inquisition look as peaceful as a lawn party given by the ladies who belong to the Women's Strike For Peace, an organization which does not endorse either J. Edgar Hoover or Charles Edward Chapel.
 The Honorable Stewart L. Hinckley, Republican Member of the Assembly from San Bernardino County, is ordinarily a very quiet gentleman who seldom takes

part in noisy debates about bills before the Assembly. However, when Assemblyman Shoemaker, a new man around the Capitol, closed his presentation of Mr. Unruh's Ombudsman Bill, Mr. Hinckley was recognized to speak on the bill.
 HERE ARE SOME of Assemblyman Hinckley's less violent comments, made on the floor of the Assembly about 1:15 a.m., early in the morning of Wednesday, June 9, just exactly as he said them:
 "I have seen and heard a lot of turkeys around here," said Assemblyman Stewart L. Hinckley, "but this Ombudsman Bill is the stuffed turkey of all time. It is one hell of a note when we have to create a political Virgin Mary to take care of the people of our district. If we don't take

care of complaints ourselves and the Lord's Prayer. He we ought to retire." seems to lack confidence in the idea the people of California need an Unruh Ombudsman, or a golden calf, at a cost of two hundred sixty-five thousand dollars (\$265,000.00), and I agree with Creed, the Apostle's Creed, him.
